

Greetings to all CCA alumni, supporters, and school families:

We just celebrated the moment that changed the course of human history forever when God by eternal design stepped into our story in the most dramatic yet unbelievable way possible. It is summed up in this verse: John 3:16

“For this is how God loved the world: He gave his one and only Son, so that everyone who believes in Him will not perish but have eternal life. We praise God for his unspeakable gift.

As 2022, comes to end, we pray that this Christmas season has been a time of worship and a time of building your faith as you prepare to face the new year. Soon we will return to normal routines and the challenges and burdens of our everyday responsibilities. In a few days our staff and faculty and the students will all return to school and finish the first semester of this school year.

Truly God has blessed CCA in many ways. We are thankful for all our students, but particularly our high school seniors. They have shown and continue to show leadership skills and are positive peer examples for our other students.

As we face the current climate and challenges of our present culture we are reminded of the necessity and importance of a Christ centered education that develops a strong and clear biblical world view in our children and youth. There is an all out assault by social media and all forms of entertainment to normalize what God clearly calls an abomination. This leaves many young people confused and filled with anxiety. It is a joy and privilege to step into this arena and partner with our Christian parents and grandparents and our faithful local churches to help bring our children to faith in Christ and then build their faith on the solid bedrock of the Bible, God’s Holy Word!

As we here at CCA endeavor to do our part, will you commit to continuing to help us! Will you spend at least one day praying and fasting for CCA before the year ends? This time could help make an eternal difference in the life of some child. Will you also commit to give as God has blessed you! As you plan for your end of year giving would you prayerfully included CCA.

We are raising funds to match a \$250,000.00 gift given to the school and we are almost half way to matching these funds. Would you help us with the next \$100,000.00? We are raising funds for improving our ball field which will be named in honor of Bobby Woodlieff and to build our multi purpose building in honor of Lank Sechrest. You can give online at [givebox.com/ccacc](https://givebox.com/ccacc).

Your giving and prayers are deeply appreciated. Thanks for giving to the Lord! We pray that you all will have a blessed new year!

In Christ,  
David W Black
