### Algebra I

- No. 2 Pencils
- Eraser
- Colored Pencils
- Basic Scientific Calculator\*

- 2-3" ring binder (for Algebra class only)
- Dividers or tabs for binder
- Loose leaf college ruled paper
- Graph paper
- Ruler
- Colored pens for grading

*\*Note: It may be a good investment to go ahead and purchase a TI-84 Graphing Calculator for high school and college math courses later. However, all that is required for this Algebra course is a run-of-the-mill scientific calculator, such as (TI-30Xa) calculator, which can be found for around ten dollars on Amazon or Walmart.*

### Geometry

- Protractor
- Metal Compass
- Ruler
- 2-3" ring binder (for Geometry class only)
- Dividers or tabs for binder
- Loose leaf college ruled paper
- Graph paper
- Basic Scientific Calculator\*
- Pencils
- Erasers
- Colored pens for grading
- Colored pencils

*\*Note: It may be a good investment to go ahead and purchase a TI-84 Graphing Calculator for high school and college math courses later. However, all that is required for this Geometry course is a run-of-the-mill scientific calculator with "sin,"*

*“tan,” and “cos” buttons on it such as a (T1-30Xa) calculator, which can be found for around ten dollars on Amazon or Walmart.*
