"HOME OF THE KNIGHTS"

2020 Christmas BONUS

Dear Parents and Friends of CCA:

What a year 2020 has been! As Christmas season approaches, we begin to think of all the blessings God has given to CCA! The increase of student enrollment and the waiting list that we have shows us that we have a great solution to the education problems many families are facing. The overwhelming support during our walk-a-thon fund drive shows the excitement the students feel for their school. Even during these difficult times, **His goodness always prevails.**

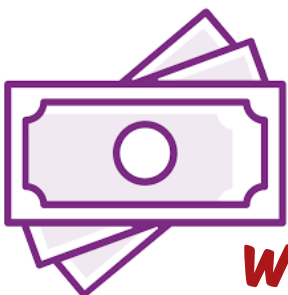

Even through all of the twists and turns, our teachers and staff have stepped up to the task and **have excelled in giving our children an excellent and stable education.** Teachers work tirelessly and sacrificially and are often taken for granted. This year our world has shined a light on just how valuable they are to us.

Here at CCA, we would like to show them just how much they mean to us by giving them a **generous Christmas Bonus.** We call upon your generosity as we humbly request that you help us provide our teachers, administration, and staff with this financial blessing. We would greatly appreciate any contribution that you would be able to give.

As always, what we treasure the most is your continued prayers as we seek God's will for Carolina Christian Academy! We hope each and every one of you has a **blessed Christmas season!**

With Sincerest Thanks,
CCA Board of Directors
