WELCOME HOME

David & Christina Black

Carolina Christian Academy is excited to announce that David and Christina Black will be moving home to Thomasville, NC on December 30th to become a leadership team for the organization and campus. They have been serving as missionaries in Taiwan full-time since 2015. Often when missionaries return home, personal possessions are left behind in the field or were sold when they moved from the States.

They will **become a part of our congregation here at Faith Community Chapel**. We want to join with CCA in giving the Black's a **warm welcome home reception** to show our support and love for what they have given in Jesus' name overseas and as they continue to serve Him at CCA.
