ADVANCEMENT LEARNING CENTER

CCA is proud to announce a new learning center beginning on January 18, 2021 under the direction of Dr. Christina Black.

The Advancement Learning Center will be open for two hours a day to help students in need of an extra challenge and/or in need of assistance to get caught up to level.

Thank you!

CCA Family,

Thank you all so much for the wonderful Christmas bonus we received in December! It was such a blessing! Thank you for your sacrifice in giving, and also for our many Christmas gifts we received from your children!

-CCA Teachers & Staff

Dear CCA family,

Thank you for the generous welcome table of gifts you brought to give us upon our arrival. Because we were coming in from a mission appointment in Taiwan where we had lived for the past several years, we had little we needed to get started living on campus.

Thank you for the household items, groceries, gift cards, cash gifts, and other thoughtful presents. We cherish your friendships and delight in the fact that God has called us home.
