- SUSIE CROTTS
- PAM BRIMER
- SHERRY SHERRON
- GIANNA DANSER
- PRESIDENT'S APPEAL

PRESIDENT'S APPEAL

A recent letter by President David Black addressed our anticipation of a student increase this fall. We expect our student body to grow by at least 20%. God has been blessing us financially as well, and it is with great confidence in God to meet our continual needs and with excitement about the future that Dr. Black has announced several immediate projects.

President's Appeal

Project **1**: We will start an early learning center [preschool] for students K3 and K4.

We have already started to remodel the annex building (the old college building) to house the preschool. In order for us to meet all the requirements for having a preschool, we will need to spend \$30,000.00 on this remodel. The Lord is already working, and we have received an initial donation of \$10,000.00 toward this project. We need to raise \$20,000.00 more to complete the remodel. Our goal is to open a five-star rated facility. We need to raise these funds as quickly as possible because we hope to start the preschool soon!

Thank you for your support!

CCA is "on mission" with God! We are blessed to be a part of this new day on campus!

Note: We will upload each project online at different times to give our online community bite-sized portions of the recently sent letter.

President's Appeal

Project **2**: We will remodel a home for the Blacks (a note from the CCA board)

We are remodeling the first brick house on our campus for President David Black and Dr. Christina Black, administrator of CCA. Presently, they are living in an apartment that will be needed to house a teacher, and all of David and Christina's possessions are in storage. We have been able to raise \$10,000.00 for this project too, but we still need an additional \$20,000.00 to complete the remodel on the president's house. It has been gutted, the outside brick disrepair has already been fixed, and the ceiling is already finished.
