

Mission Statement:

The mission of G. Ernest LLC, through myliteracy.com, is to promote an increase of literacy in the general population by developing literacy resources and programs in the local communities.

In addition, teaching, training, and supporting educators and individuals committed to learning about science and the other important fields of study necessary to increase the literacy of the general population.

To reach this goal, the level of literacy in many different areas in our community must be addressed. Therefore, our mission encompasses the dissemination of information on a number of subjects and interests. G. Ernest LLC will continually update its projects and goals as the need arises to continue our commitment of keeping informative information available for the general public.

Project Target Areas:

- Increase the delivery of literacy resources to the general public
- Conduct training and public relations awareness conferences
- Work toward increasing the number of minority students interested in science
- Assist students with college test preparation
