You as the pet parent know your pet the best. We will go above and beyond to ensure the safety and care of each pet we groom. But in some rare cases it will be in the pet's best interest to discontinue the groom. With that said you the client will still be responsible and charged 50% of the grooming. No Exceptions. Valid credit cards must be on file.

We can work with some pets with mild anxiety but not all. (We Do Not Muzzle)

“We work with your Pet, Not on your Pet!” Dogs that have trouble standing for long periods of time will be an additional fee and you will need to let us know in advance.

May require more than 1 person. Thank you for understanding. =)
