

# the Nathan Sanchez

DJ / PRODUCER / PROMOTER

## BIOGRAPHY

the Nathan Sanchez was exposed to the thriving underground rave scene that was emerging in San Francisco in the 1990's. He spent every available night making the trek to the SF Bay Area, quickly developing a passion for house music. Being completely immersed in the electronic music culture, his commitment to house music began and started him on a 20-year+ journey to where he is now.

Over the progression of his career, Nathan has incorporated his love for all music genres into his DJing style. He loves playing everything from house to downtempo, from hip-hop to jazz.

Nathan is based in Boise, Idaho, where he brings his signature sound to the local music scene. He remains committed to his craft and continues to push the boundaries of DJ'ing, blending classic sounds with new and innovative techniques. He regularly travels around the country to do shows and support other talents.

## GEAR

the Nathan Sanchez understands the value of being well-prepared with best-in-class equipment. For vinyl based events, Nathan brings his trusted Technics SL-1200MK7 turntables and an extensive collection of vinyl records. When digital music is required, Nathan relies on the unparalleled reliability of his 2 Pioneer CDJ-3000's or 2 Denon DJ SC6000's. Nathan pairs his multi players with a state-of-the-art Pioneer DJM-V10 6-channel digital mixer.

In addition to his top-end components, Nathan generally utilizes road-ready QSC speakers. All this connected with high-end interconnects and speaker cables for exceptional sound quality. For outdoor parties that require power, a generator can be provided.

With Nathan's attention to detail and dedication to quality sound, you can be confident that the performance will be a flawless and immersive listening experience for the audience.
