Learning Goals by Domain

Cognitive & Academic

- Recognize letters, numbers 1–10, shapes, and colors
- Develop problem-solving and inquiry skills
- Understand cause and effect through hands-on exploration

Language & Communication

- Expand vocabulary through thematic units
- Practice listening and speaking in group settings
- Engage in storytelling and expressive language

Social-Emotional

- Identify and manage emotions
- Practice sharing, turn-taking, and empathy
- Build confidence through choice and responsibility

Fine & Gross Motor

- Strengthen hand muscles through art and manipulatives
- Improve coordination with movement games and outdoor play

Creative Expression

- Explore different art mediums and musical instruments
- Participate in dramatic play and role-playing
- Celebrate individual creativity and group collaboration

Special Features

- **Monthly Family Engagement Projects:** e.g., “Family Tree Collage,” “Cultural Recipe Book,” “Neighborhood Scavenger Hunt”
- **Weekly Excursions:** Parks, museums, farms, fire stations—aligned with monthly themes
- **Themed Community Events:** “Fall Festival,” “Winter Showcase,” “Spring Garden Day,” “End-of-Year Celebration”

Would you like this turned into a printable calendar or editable document? I can also help tailor it further to your specific classroom size, schedule, or grant goals—like integrating transportation or supply needs into the plan.
