THE SCIENCE BEHIND QUANTUMEASY TECHNOLOGY

Intrinsic Informational Field (IIF) 
Holographic Information Programming (HIP) 

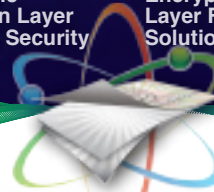

Stick-On-App (SOA)

1ST LAYER:
Protected & Sealed Layer Against Data Contamination

2ND LAYER:
Holographic Information Layer For Added Security

3RD LAYER:
Encrypted Activation Layer For Desired Solutions

The breakthrough technology of QuantumEasy Stick-On-Apps (SOAs) or hologram stickers is the result after years of research and development. They adopt the science of **Quantum Waves Technology (QWT)** & the methodology of **Holographic Information Programming (HIP)** to improve our daily living in a risk-free way- without pills, drugs & chemicals to achieve the desired success outcomes.

- ✓ **All SOAs are NCPST-Enabled** (Non-Contamination Protection & Sealed Technique)
- ✓ **Only Known Brand That Passed Extensive Safety & Anti-Radiation Tests** (for EMF Protector)
- ✓ **Certified Safe & Non-Hazardous**
- ✓ **No Pills, Drugs & Chemicals**
- ✓ **Water Resistant & Easy To Use**
- ✓ **No Known Side Effects**
