## CHILDSAFE Stick-On App (SOA)

# Is Your Child Often **Withdrawn & Have A Lack Of Self-Confidence?**

**A Trusty Companion For Your Child Both At Home Or Out**

- ✓ Protects Child From Negative Intent
- ✓ Regain Positivity & Confidence
- ✓ Calibrates Energy Imbalances

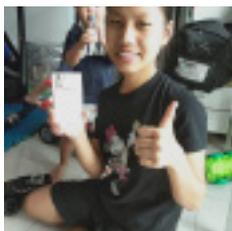

Our breakthrough technology of holographic Stick-On Apps(SOAs) adopts the science of quantum waves technology (QWT) & the methodology of holographic information programming (HIP) to calibrate & balance the Intrinsic Data Information (IDI) of the affected area (of dis-ease), thereby facilitating the body to correct & heal by itself.

The Child Safe SOA helps to strengthen the child's energetic space which is now, more than ever, invaded by technology – especially with wireless communications, from 3G to 4G and now the 5G! Sanitise and keep your child's energetic field safe and healthy with QuantumEasy Child Safe SOA!

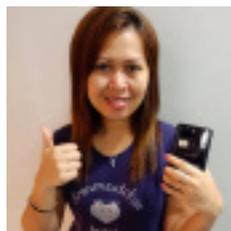

## DON'T TAKE OUR WORD FOR IT
