Can You Help?

North and South Wheatley Village Hall is an excellent, multi-use community facility. But let's be honest, the bar and bar area have variously been described by users as "drab" and "impractical". There are also issues with the storage of alcohol and security. The VH Team are committed to upgrading the bar area into a pleasant, welcoming and comfortable facility for everyone to use and enjoy.

But this costs money. Therefore we are looking for volunteers with the skills and interest to give a little of their time and knowledge to help.

If you would like to be involved please contact Alan on 07861 842 287.
