YOUR PATHWAY

WHAT DOES AN EYE HEALTH COORDINATOR DO?

- Build relationships with communities, clinics, services and stakeholders
- Plan and coordinate eye health programs and outreach activities
- Support service delivery, referrals and follow-up
- Collect and manage data to improve services and outcomes
- Promote eye health awareness and education in the community
- Ensure cultural safety and community voices guide decisions

YOU CAN MAKE A REAL DIFFERENCE

- Improve access to eye care in your community
- Help close the gap in vision and health outcomes
- Strengthen community voices and leadership
- Build a healthier future for our mob, today and tomorrow

Strong eyes. Strong communities. Strong futures.
YOUR CULTURE. YOUR COMMUNITY. YOUR CAREER.
