Food Service Workshop

The Christian County Health Department would like to extend a huge thank you to Dr. Chad Anderson, Lisa Peterson with U of I Extension, Fire Chief Matthew Adermann, and State Plumbing Inspector Ray Hall for presenting at the food workshop! We would also like to say thank you to First National Bank and The Taylorville Chamber of Commerce for sending representatives out.

It was a huge success with 80+ people in attendance, so we would also like to give a huge thank you to everyone who came out! We took the opportunity to learn about common food violations, information about cottage food, fire code violations, and current plumbing code.

If you missed it this year, we hope to see you next year!
