COUNSELORS

- Your organization provides a maximum of 2 male and 2 female Counselors.
- Counselors must be at least 18 years old.
- All Counselors must be mature Christians suited for the ministry of Summer Camp spiritually, physically, and emotionally.
- They must be able to handle summer outdoor temperatures, lots of walking (including uphill), and a very active schedule.
- Counselors cannot be tobacco users.
- CrossView does not allow tobacco products on the property, and Counselors must remain with their Campers at all times; so there is no opportunity for tobacco use.
- Volunteer Counselors must apply to serve at CrossView.
- Volunteer Applications are available on the Camp's website or upon request.
- The Camp runs background checks on all Counselors, contacts references, and conducts interviews to determine each applicant's suitability to the ministry of Summer Camp.
- Organizations should submit Volunteer Applications as early as possible so that in the event any are rejected, there is ample time to find replacement(s).
- Your organization will give all Counselors a Sexual Abuse Prevention Training and Test (curriculum and test provided by CrossView).
- Our goal is for Counselors to bond with the Campers during Camp and become mentors when the "sprint" of Summer Camp is over and the "marathon" of discipleship begins.
