Ring Doorbell Agreement

Name: _____ Unit # _____
Email Address: _____ Phone# _____

I request permission from the Rio Del Sol Homeowners Association Board to install a Ring Doorbell (or similar type camera) to the entry door on my unit.

In signing this document I agree -

- (a) To reimburse the HOA for any damage to the exterior of the building that the camera installation and removal may cause
- (b) To remove the camera before the sale of my unit
- (c) That if I do not reimburse the HOA for any repairs needed to the Common Area due to damage from the camera that a lien arises against my unit
- (d) To limit the angle of the camera so it does not extend well beyond my front door
- (e) To hold the HOA harmless from any damages that might arise to the camera from the HOA's regular maintenance and upkeep obligations to the community.

Ring doorbells or similar type cameras must match as close as possible the size, look and placement of other existing equipment.
