

Hello RDS Owners,

Today begins the Asphalt Sealing at Rio Del Sol. Night work starts approximately 6-7 pm and ends at midnight. Each section will take 4 days with a day of "curing" afterwards.

Proposed time schedule is:

Section 1 (green) Aug 16-19

Section 2 (pink) Aug 21-24

Section 3 (blue) Aug 26-29

If you rent your unit, it is the Owner's responsibility to provide their tenants with necessary information. Vehicles which are not removed in a timely manner from work areas will need to be towed. This expense will not be assumed by the Association.

We apologize for the inconvenience of moving vehicles and chasing garbage dumpsters but it is unavoidable.

This truck is parked behind Bldg #4 and has expired license plates. RDS Rules and Regulations require all vehicles to have current license tabs to park on our lot. It also prohibits inoperable vehicles to be stored on our lot. This includes but is not limited to flat tires. If you know the owner of this truck, please contact the Board.

Thank you for your patience and cooperation.
