Dear Parents and Students,

As we complete the first month of our new academic session, which began on 8th April, we are pleased to share that the school has now settled into a smooth and productive routine after a busy and energetic start to the year.

April was a month filled with significant milestones, including convocation, result declarations, new admissions, teacher recruitment, interviews, and academic planning for the year ahead. It was a period of excitement, dedication, and thoughtful preparation to ensure a successful beginning for every student.

We also shared important information and guidelines with parents and students to help everyone start the new session with clarity and confidence.

This remarkable achievement reflects the hard work, discipline, and determination of our students. We wholeheartedly congratulate our champions and wish them continued success in the future.

A special note of appreciation goes to our dedicated coach, Mr. Pawan, whose guidance, commitment, and continuous efforts have helped bring medals to our school consistently for the past four years. His contribution to nurturing young talent is truly inspiring, and we are proud to have such a mentor as part of our school family. Congratulations to all!

Parent-Teacher Meet “Know Each Other Program”

April concluded with our **first Parent-Teacher Meet** under our special initiative, the **“Know Each Other Program.”**

We were delighted to witness enthusiastic participation from parents, reflecting their active involvement and trust in the school for a positive and successful academic year ahead. Parental involvement creates a strong partnership for the betterment of a child's future. When parents and teachers work together, we can more effectively support the academic, emotional, and personal growth of every student.

We sincerely thank all parents for their valuable feedback. Your suggestions have been noted and carefully considered for constructive implementation.

Together, we build stronger futures.
