

# Photo Prep Checklist

- ☐ Declutter countertops of any appliances, (i.g ; toasters, coffee makers, blenders) They should be placed out of view in a closet or cabinet.
- ☐ Remove any garbage or recycle cans from the kitchen.
- ☐ Clear views of the deck/patio through sliding doors if necessary.
- ☐ Remove any busy looking fabrics with patterns on them, such as throw blankets and hand towels.
- ☐ Clear bathroom of toiletries, scales and garbage cans.
- ☐ Clear out bottles/soaps from inside the shower if they are visible through a glass shower door.
- ☐ Put away children's toys.
- ☐ If boxes or other moving materials are present, please find a temporary space out of rooms that are going to be photographed.
- ☐ Please check all lights for bulbs that are out. All lights should be on at the time of the shoot.
- ☐ Any furniture that is going to be moved for the photos should be moved prior to the beginning of the shoot.
- ☐ Windows should be closed, cleaned and blinds up. The more natural light the better.
- ☐ Hide wires wherever possible.
- ☐ Clear desks of paperwork and miscellaneous items.
- ☐ Please place any pets in a room that will not be photographed.
