What are your plans to solicit the donations?

If you are not initially selected for a charity bib, would you want to be placed on the wait list for the bib(s) if CMAK is granted additional bibs or if one of the recipients is unable to compete?

(Note: Any time up to September 15th, 2021, we may be able to receive additional bibs through the program. If you agree to be on the waitlist, you would need to be in condition to run the 2021 TCS New York City Marathon in November as well as raise the minimum \$2,500 minimum requirement, even though you would not know until that time.)

What is your inspiration for representing the CMAK Race4Chase Team at the 2021 TCS New York City Marathon?

Notes:

Please submit this application via email attachment to Kevin Grimes, Executive Director, CMAK at kgrimes@cmakfoundation.org

Once each of the charity runners are selected, there will be an online registration process needed to be completed by the athletes including paying the entry fees (\$295.00 for US domestic runners) and additional paperwork (waivers) before the bibs can be officially claimed. Athletes selected must complete this process within two weeks of receiving confirmation of their selection.

Thank you for your interest in joining our team! If you have any specific questions, please reach out to Kevin Grimes at kgrimes@cmakfoundation.org
