### Your Pet is IMPORTANT to US!

Because we care about your pet's safety, we want to assure you that every precaution will be taken to provide a safe and stress-free grooming experience for your pet. Due to the intimate nature of the washing and grooming process, or a pet's tolerance level for stress, strangers, or handling, some pets can become anxious or reactive during the pet wash service.

If we determine that continuing the wash service would present a threat to your dog's emotional or physical health, and/or the safety of the washer completing the service, we will discontinue today's service and contact you immediately.

We will take every precaution necessary to complete the wash service safely and humanely including the proper use of common industry safety equipment such as grooming loops, muzzles and restraints.

I hereby grant permission to Collar Pet Boutique to utilize proper restraints for the health and safety of my pet and Collar Pet Boutique during today's service. I understand and agree that if Collar Pet Boutique deems it unsafe or unhealthy to continue for the pet or staff members, Collar Pet Boutique will end today's service and I will be responsible for any services rendered.
