What Is Not Covered

- **Blinds** - Although we dust them down we are not professional blind cleaners, thus any marks/stains or blemishes on them may require a professional blind clean dependent on your tenancy agreement and or property manager's specific requirements (we do not currently offer a service to remove marks or stains)
- **Removal of stickers or removable hooks** – We do not remove stickers or removable hooks from walls as there is a chance that we could damage your wall or paint work – If you specifically request us to remove these we will not accept any liability resulting from such damage.
- **Removal or shifting of furniture** - Our Total Bond Cleaners are not trained in how to correctly lift furniture; therefore in the interests of safety and protection of your property we do not encourage our cleaners to lift or move furniture.
- **Ceiling cleaning** - Unless you specifically request us to clean your ceiling/s we do not clean ceilings as part of a bond clean. Should you require your ceiling cleaned or specific area/s of your ceiling cleaned additional charges will apply
- **Tile & Grout Cleaning** – Although our cleaners will manually scrub tiled areas as part of a bond clean we do not specialise in tile and grout cleaning, thus a professional tile and grout clean may be warranted dependent on the condition of your tiles and or grout which is a service separate to that of our bond clean.
- **Yard Works, Mowing, Weeding** - Our bond cleaners do not handle any yard maintenance as part of the bond clean.
