WELCOME BACK

It was lovely to welcome pupils and staff back to school last week after their October break. We have a busy term ahead learning about topics related to COP26, Celebrating Scottish Book Week, Outdoor Learning, Christmas and many more.

CELEBRATION ASSEMBLY

A Celebration Assembly was held on Wednesday 27th October. Pupil representatives from each class spoke about their learning in term one. Topics included Book Studies, Feelings, Slave Trade, Poetry, Butterflies, Plastics and Algebra. It was great to see the pupils so confident when presenting in front of the classes. Well done.

SPONSORED WALK

Thank you to all those who took part in the Sponsored Walk on the last week of term. We had a lovely day for the walk and the children enjoyed their playtime at the park. All the sponsor money has been collected and the fantastic amount of £3,600 was raised for the Newmarket Playpark.

Well done to all those who collected sponsor money.

MRS RIGG

Mrs Rigg finishes work today to start her Maternity Leave. Staff and pupils would like to wish her well.

THIG A CHLUICH

Please see below details of Thig a Chluich, facilitated by Comunn nam Parant. This is an excellent opportunity for parents of pre-school children to learn more about GME in a fun, informal setting for all.

The poster features a light blue background with a grid pattern. At the top left is a logo with a rainbow and the text 'THIG A CHLUICH an Eilean Siar'. The title 'THIG A CHLUICH TIMETABLE' is written in large, blue, hand-drawn letters. There are four white paper-like cards with rounded corners and hole punches on the left side, each representing a location. The cards are decorated with various colorful icons: a piggy bank, a star, a rainbow, and a rocket. The text on each card is in a mix of red, blue, and yellow colors. At the bottom, there are social media icons for Facebook and Instagram, and logos for 'Bòrd na Gàidhlig' and 'Comann nam Pàrant'.

PREVENT LICE

HOW?

Use a
Lice Comb

Wash
hair

Apply lots of
conditioner

With the hair
still warm

Comb it

WHY?

Lice take 10 - 14 days to reach Maturity

Once fertilised, they lay up to 200 eggs
(nits) at the hair root. They eat blood.

The eggs take 7 - 10 days to hatch

Black semi-opaque eggs
haven't 'hatched!
White eggs have!

WHEN?

Routine
Once a
week

Many Lice/eggs (nits)
are immune to
treatments

There are few ways to irradiate them

- Comb them out twice a day with wet conditioned hair
- Pull the eggs off the hairs one by one.
- Get the lice 'drunk' on treatment or alcohol, they let go of the hair, and can be combed out.
- Be careful, they can climb back on.

Start combing froward from the nape of the neck.

Then comb above ears to crown.

Then from fringe backwards.

Comb all the way to the end of each hair.
