Our Vision

In Laxdale Primary we continually aspire to take a whole school bilingual approach to learning through pupil voice, strong community partnerships, equity, nurture and inclusion

Our Aims

- Provide a wide variety of rich learning opportunities which involve pupils in decision making
- Develop confident and resilient pupils who feel safe, valued and respected
- Promote and celebrate Gaelic Language and Culture through Music, Drama and the wider curriculum.
- Develop family learning opportunities which encourage parental engagement to raise attainment and promote lifelong learning
- Work together to support and encourage Learning for Sustainability, Global Citizenship and Outdoor Education to create rewarding and meaningful learning experiences.

Children's Aims

- Continue to be fit and healthy so we can keep our Gold Sports Award
- Be kind and helpful to each other and always do our best
- Work towards becoming a Rights Respecting School
- Keep our Green Flag Eco Award by taking care of our school environment inside and out
- Take part in more Outdoor Learning lessons.

Our School Values

Friendship Teamwork Kindness Respect Equity

How we design the curriculum

- In Laxdale School we ensure that the child is at the centre of all planning, learning and teaching.
- A nurturing approach at all times ensures equity for all pupils
- As a Rights Respecting School the 'Rights of the Child' underpin all aims and values around the curriculum.
- Staff work together to plan collegiately for consistency, progression and rich learning experiences across all levels.
- Whole School Interdisciplinary Projects continue to be successful and offer a range of learning experiences for all children.
- As a school we regularly adopt a whole school approach to facilitate wider achievement opportunities for all pupils

Our Curriculum Includes

Gaelic Language, Arts and Culture, Gold Sports Award, Eco Schools, Rights Respecting School, Developing the Young Workforce, STEM, Outdoor Learning, Learning for Sustainability, Enterprise in Education and Global Citizenship.

When planning learning experiences, teachers consider and include the SEVEN PRINCIPLES for curriculum design:

- Challenge and enjoyment
- Breadth
- Progression
- Depth
- Personalisation and choice
- Coherence
- Relevance

The Four Capacities

Successful Learners

Which means we –

- are interested in learning new things
- do the best we can
- think about new ideas.

To help us do this we-

- use maths, language and talking and listening
- use technology
- can think of new ideas by ourselves
- learn by ourselves and in a group
- think about the good points and bad points of new ideas

Confident Individuals.

Which means we-

- have respect for ourselves
- are healthy and happy
- look forward to the future.

To help us do this we-

- listen and try to understand others
- are healthy and active
- try to understand the world around us
- decide what is right and wrong

Responsible Citizens

Which means we –

- have respect for other people
- take part in making decisions.

To help us, we need to-

- understand the world around us and Scotland's place in it
- understand different people from around the world
- listen to different ideas and opinions before making decisions
- think about issues in the world around us and develop views about them.

Effective Contributors.

by-

- being enterprising and thinking of new ideas.
- thinking up ideas for ourselves.

We can –

- find different ways of telling people our ideas
- work with a partner and a bigger team
- lead a group when working
- take what we have learned and use it in a new situation
- solve problems
-
