

Brookfields Rotary Supports Angels Answer, Inc. Venezuelan Project

November 12, 2020

Recently, Brookfields Rotary and its non-profit partner Angels Answer Inc. teamed up to pack vital supplies to be shipped this month to Venezuela. These supplies include diapers and baby formula to assist desperate Venezuelan families coping with supply shortages. Due to severe and persistent shortages, many families are forced to adopt make-shift solutions such as using plastic bags as diapers, resulting in painful and unhealthy rashes for their babies.

Brookfields Rotary is proud of its partnership with non-profit Angels Answer, Inc. Working with a small group of volunteers, they make an outsized difference in our Central Massachusetts communities and the world. To find out how you can help, visit their Facebook page at <https://www.facebook.com/AngelsAnswerInc/>
