*Kamiak Butte Amateur Repeater Association*

Summer 2012 Edition

## KBARA Gazette

### KBARA Annual Camp Out & Meeting

\*\*\*\*\* July 27th—29th \*\*\*\*\*

At Boyer Park. Detailed information on page 2.

---

### D-Star Information by Scott, KA7FVV

Thanks to Pat, K7HRT we have a D-Star repeater in Spokane. The Frequency: **443.125 +**, V 1293.3 out , 1273.3 in V , 1249 D simplex for data. Currently located in the Spokane Valley.

The first question that comes to mind is: **What is D-Star?**

**D-STAR (Digital Smart Technologies for Amateur Radio)** is a digital voice and data protocol specification developed as the result of research by the Japan Amateur Radio League to investigate digital technologies for amateur radio.

Currently Icom is the only manufacturer that has elected to build D-Star technology into their amateur radio line.

**D-Star Links**—There is a wealth of information on the internet about D-Star.

**Great info page**—<http://www.comfac.com/SMCARA/DSTAR.htm>

**Icom's Page**—<http://www.icomamerica.com/en/products/amateur/dstar/dstar/default.aspx>

**D-Star Info**—<http://www.dstarinfo.com/home.aspx>

**PDF with great info**—<http://www.arrl-nh.org/What-is-D-Star.pdf>

**Icom Canada D-Stat Info**—<http://www.icomcanada.com/dstar/index.htm>

**Hollywood Trivia:** Last Man Standing comedy with Tim Allen as a amateur radio operator, Mike Baxter, KA0XTT, is using an Icom IC-9100 and IC-92AD radios and D-STAR.

Remember KBARA is on Facebook. Search for KBARA and click

Even though KBARA is not on Twitter, it is a great tool for hams to make schedules for QSO's.

# Kamiak Butte Amateur Repeater Association Camp Out & Annual Meeting, July 27 -29, 2012

## All are welcome!

Here's your chance to eye-ball each other, along with camping, swimming, fishing, schmoozing & just generally Hamming it up. This is an annual Ham-O-Rama & summer bash. Do not miss it!

The Port of Whitman County maintains Boyer Park and Marina which is leased from the U.S. Army Corps of Engineers. The park has a full-time supervisor and concessionaire ready and willing to help with the needs of recreational enthusiasts.

The Marina provides free launching along-side a service dock where gasoline is available. Moorages conveniently accommodate two boats and can be rented on a daily or monthly basis.

Boyer Park Board offers four pleasant rooms for your overnight stay. A fully accessible board room is available on request. Boyer Park Restaurant offers a relaxing atmosphere and a varied menu. Covered shelters accommodating 50 are available for rental for those special gatherings. A convenience and RV store is handy for those forgotten items. Boyer Park offers the Snake River trail for

rollerblading, biking or a leisurely walk.

The enclosed swimming area, sandy beach, and picnic facilities make a perfect setting for the gathering of family and friends.

Overnight camping sites have all the extras...with water, electricity, sewer hookups, garbage collection, dump station for holding tanks, hot showers, rest rooms, laundry facilities, and picnic tables.

All facilities are open 7 days a week from mid April until mid October.

Lower Granite Lock and Dam is 2 miles from Boyer Park. The Visitor Center contains a Fish Viewing Room and Counting Station.

Boyer Park and Marina is a great place to be on a hot and sunny day!

This 140 acre site is situated on the scenic Snake River about 20 miles southeast of Pullman, Washington and offers many kinds of recreational enjoyment from fishing, boating, swimming, camping, picnicking to just spending a lazy day on the beach.

Come to the KBARA Camp Out & Annual Meeting at beautiful Boyer Park & Marina, 1753 Granite Rd, Colfax, WA 99111 on the Snake River, just downriver from the Lower Granite Dam.

**PANCAKE BREAKFAST:** Saturday, July 28, 2012, 8AM

**ANNUAL MEETING:** Saturday, July 28, 2012, 3PM

**POTLUCK DINNER:** Following the annual meeting, around 5PM, July 28, 2012

**TALK-IN FREQUENCY:** 146.74 MHz (-) repeater & 146.520 MHz simplex

**DIRECTIONS TO BOYER PARK:** from Spokane drive south on Hwy. 195 to Colfax; drive through town on Main St., following the sign to Almota going up the hill (just past Eddy's Chinese Restaurant on your right); continue to follow the signs to Almota & Boyer Park/Lower Granite Dam; drive time about 1 1/2 hours & 77 miles from Spokane. From Pullman, & points south, from Hwy. 195 at Pullman, take Hwy 194 west, following the signs to Almota & Boyer Park/Lower Granite Dam.

**FOR INFO ABOUT BOYER PARK & MARINA** call 509-397-3208 or visit [www.bpark.biz](http://www.bpark.biz); in KBARA group area sites 2-7, partial hookup sites \$27 per night, tents \$12; sites available Friday, 7/27 2PM to 7/29 2PM; for reservations contact Betsy, N7WRQ, phone: 509-509-448-5821, e-mail: [n7wrq@aol.com](mailto:n7wrq@aol.com)

## *From the Desk of our President*

Hello,

It's been a great year for KBARA and I'm privileged to have served in the position of your president. It has given me the opportunity to get to know more of our wonderful members, dedicated owners,

and those who through contribution and tireless energy have made this club even greater. Of particular

note are the contributions of Randy KF7RVY our IS go to guy, for the KBARA "EchoLink". Glen, KF7QLH, our Secretary, Co-Owner of the "36" and our IRLP, Betsy for her tireless contributions over the years to KBARA, our Treasurer and Scott, KA7FVV, our VP and Newsletter editor.

Last but not "Least" John, KD7AAT, our Spokane Rep and Net Manager. And all the Net Control

Operators that have gone on to make sure we have a 7AM net 365 days a year.

BRAVO you guys and gals. Hats off to you all.

The Annual KBARA campout is fast approaching, July 27<sup>th</sup> – 29<sup>th</sup> at Boyer Park.

The business meeting will be held at 3PM on Saturday (28<sup>th</sup>) followed by what looks like a GREAT potluck dinner.

If you can, come on down and join us. It's always a great time.

The Spokane Hamfest will be here before you know it. Betsy, N7WRQ has been busy working the plans for what I'm sure will be another fine event. They can always use extra help. If you have any ideas for securing door prizes or other donations to the event, please let her know.

That's it for this time. Have a great summer. We'll see you at the campout

# Status of Amateur Radio Satellites by Scott, KA7FVV

## FM Satellites

With the demise of AO-51 last winter the only two active FM satellites that we have are AO-27 and SO-50. Both are in good health. AO-27 is the most used of the two since AO-50 is a little weaker and harder to hear. AO-27 was launched in September of 1993 and SO-50, December of 2002.

## Linear (SSB) Satellites

If you have the SSB radios to work these satellites there is VO-52 and FO-29. Both these satellites are in opposite modes. VO-52 is U/v mode or vhf uplink/uhf downlink and FO-29 is V/u or uhf uplink/vhf downlink. These used to be called mode B and J. AO-7 is a 38 year old satellite that has recently come back to life and is active in daylight passes.

## New Satellites and Launches

There are several satellites in production currently. Probably the first to be launched will be FunCube. Funding for this satellite was obtained primarily by selling the FunCube Dongles. A small USB software defined receiver about the size of a USB thumb drive, \$196 shipped to us in the US. This will be a linear (SSB) satellite and will be launched later in 2012. Am-sats project is called Fox. This has split off into two different satellites. The first Fox-1 will be a FM sat to replace AO-51 with similar performance and will be able to continue operating after the batteries fail. Slated to be launched sometime in the second half of 2013. Fox-2 will be a linear satellite and launch slated for 2015.

New simple satellite tracking program. A very slick program. Moving map of where the satellite is passing over if there is a internet connection.

<http://www.tomdoyle.org/simplesatlookdown/SimpleSatLookDown.html>

Satellite information in this article and additional info on satellites can be obtained from <http://www.amsat.org> and <http://www.uk.amsat.org>

# KBARA Field Day Events

## CQ Field Day CQ Field Day de N7LC 3A EWA

Once again, the ARRL Field Day, held June 22-June 24, 2012 at Valleyford, WA, was a complete success. As always, thanks go to Bob, AC7GP, and the Lilac City ARC for hosting this multi-club event which had non-stop transmitting, socializing, eating. And, as per usual, the weekend was not without antenna & equipment dilemmas & an electrical storm. Fun was had by all !

# 36<sup>th</sup> Annual SPOKANE HAMFEST

and

**American Radio Relay League  
Washington State Convention  
September 22<sup>th</sup>, 2012  
University High School  
12420 E 32nd Ave, Spokane Valley WA 99216**

Hosted by 8 Amateur Radio Clubs:

**Raffle prizes:** 1<sup>st</sup> Prize: Yaesu FT-897D HF/6m/2m/430 Transceiver; 2<sup>nd</sup> Prize: Yaesu FTM-350AR 50 w 2m/440/1w 220 FM Transceiver; 3<sup>rd</sup> Prize: Kenwood TH-D72A 5 w 2m/440 FM HT w/GPS/TNC Transceiver ~ Raffle tickets available now from Hamfest Committee members

**Door prizes, seminars, demos & displays:** "NVIS (Near Vertical Incidence Skywave) Antennas" by Bill, KL7BB & Daniel, KL7WM (antenna given away as class attendance door prize) ~ "1000' Beverage Antenna Construction" by Wilse, WX7P ~ "D-STAR Voice & DRATS Data System & Operation" by Bill, KL7BB & Daniel, KL7WM ~ ARRL HQ guest Debra Johnson, K1DMJ, Education Services Manager ~ "How to Beat the Morse Code (CW)" by Bill, KL7BB ~ "Junque" Auction by Wilse & Gimmie, WX7P & AL7LB ~ "Roving Helmet-Cam Reporter" with John, KD7AAT ~ Fox Hunt Demo ~ "Radio Test Gear" table with Jack, AD7FO ~ ARRL QSL & WAS Card Checking by Wilse, WX7P ~ License Exam Hamfest Photographer Jim, K7HU ~ Commercial & non-commercial vendors ~ Non-stop coffee, sodas, food ~ And much, much more

## Admission \$5

Age 18 and under FREE

## Commercial tables \$15

\$12 if paid before September 1<sup>st</sup>

## Swap tables \$7.50

\$5.00 if paid before September 1<sup>st</sup>

Admission not included in the price of table space

## Friday, September 21st

Vendor Setup: 7PM-9PM

## Saturday, September 22<sup>nd</sup>

Vendor Setup: 8 AM

Open to Public: 9AM - 5PM

"Junque" Auction: 3:00PM

Raffle: 4:00PM

No-host Post Hamfest Dinner: 5:30PM

Timber Creek Grill Buffet

9211 E Montgomery Dr.

Spokane Valley

**Program advertising available:** ¼ page for \$40 to full page ad for \$120

**Free off-street parking for cars & RV's**

# SPOKANE HAMFEST 2012 REGISTRATION

Name \_\_\_\_\_ Call Sign \_\_\_\_\_

Address \_\_\_\_\_

Phone number/E-mail address \_\_\_\_\_

**Please make checks payable to & mail to: Spokane Hamfest  
PO Box 2552  
Spokane WA 99220-2552**

**KBARA Membership / Support Information:** The KBARA repeater system consists of several privately owned linked Amateur Radio repeaters. It covers an area from northeastern Washington to northeastern Oregon, and from western Montana to central Washington. The KBARA system is also part of the Evergreen Intertie, an interconnected group of repeaters located in western Washington and Oregon. The primary purpose of the KBARA repeaters is to provide a means for emergency communications within the above areas, and secondarily for routine radio traffic. It makes possible a single system of mobile communications coverage, extending the limited range provided by any single repeater operation. The KBARA FM repeaters operate in the VHF bands and are linked by UHF radios. The repeaters' frequencies, call signs, locations and owners are as follows:

## KB7ARA REPEATERS and IRLP Nodes

- 146.74 W7HFI** Kamiak Butte, near Pullman, WA, owned by Bob, W7HFI, John, W7OE, & Mark, K7HPT
- 147.02 K7HPT** Lookout Pass on I-90 on the Idaho-Montana border, owned by Mark, K7HPT, & John, W7OE
- 147.28 KD7DDQ** Pikes Peak in the Blue Mountains, SE of Walla Walla, WA, owned by Ken, KD7DDQ & Mark K7HTP
- 147.36 KF7QLH** Stensgar (Stranger) Mountain, near Chewelah, WA, owned by Glen, KF7QLH, & John, W7OE
- 147.38 W7OE** Mica Peak, east of Spokane, WA, owned by John, W7OE
- 223.90 AK2O** Stensgar (Stranger) Mountain, near Chewelah, WA, owned by Karl, AK2O
- 444.35 N1NG** Mica Peak, east of Spokane, WA, with a 192.8 Hz tone, owned by Mike, N1NG
- 53.750 N7ZUF** Kamiak Butte, near Pullman, WA, owned by Jay, N7ZUF

**IRLP Node #7141 KF7QLH** South Hill of Spokane, WA, owned by Glen, KF7QLH

**Echolink** courtesy of Randy, KF7RVY. Look for KF7RVY-R.

All licensed Amateur Radio operators are welcome to use this open repeater system. Your support would also be greatly appreciated.

Please visit these sites for more information: <http://www.kbara.org> and visit <http://groups.yahoo.com/group/evergreenintertie>

To support KBARA, please send your contributions to:

**KBARA**  
**PO Box 30801**  
**Spokane WA 99223-3013**

**Annual support is \$15 per calendar year for a single membership and \$20 for a family membership. Dues are due in January of each year and if paid between September 1 and December 31, they will be applied through the entire following year. Also, any contribution will be gladly accepted to the Repeater Fund.**
