Fall 2005

The Quarterly Journal of the Kamiak Butte Amateur Repeater Association

The President's Corner

Bob Lemon, W7HFI

The Evergreen Intertie is still down. They are aware of the problems and it will be repaired as time and equipment and money allow.

Field Day at Bear Lake went quite well. We made pretty good contacts on CW & voice.

Reports are that the Christina Lake picnic was a success. This year's camp out was small. There were only 18 people present at the annual meeting. All officers were re-elected for another term. The campground was a very nice place.

The Hamfest is rapidly approaching. It will be held again at University High School on September 24, 2005. Mark your calendars and plan on attending this event.

Take time to check the KBARA web page for updates and information about what's happening.

Please take the time to check in on the various nets. Some of them are very small.

Thanks for your support.

Bob Lemon, W7HFI

Kamiak Butte Amateur Repeater Association

Annual Meeting Minutes

July 9, 2005, 2:18PM

Nine Mile Resort, Nine Mile Falls, WA

The meeting, presided by the President, Bob Lemon, W7HFI, began with the approval of the minutes of the July 10, 2004 annual meeting as published in the Fall, 2004 newsletter. The Treasurer, Neil Gallup, N7LVO, gave an accounting of the club treasury.

Under "new business" came the following:

the upcoming Spokane Hamfest was discussed, with suggestions being made such as having sandwiches available for those helping with the Friday night setup, along with several members volunteering to gather door prizes; \$100 was approved for donation to the Evergreen Intertie, along with solicitations being made for personal donations to that cause; the KBARA officers approved life time club memberships to Walt and Charlene Davis, W7ALT and KC7RQF; the Newsletter Editor, Wes Taylor, KD7HGG, requested pictures and material for the next newsletter. The following members were nominated and elected to office:

President Robert Lemon, W7HFI

Vice President Kenneth Crosswhite: KD7DDQ

Secretary Betsy Ashleman, N7WRQ

Treasurer Neil Gallup, N7LVO

Certificates of appreciation were made to the repeater owners, net controls, and others who had contributed their time and effort to the club this last year. And last, it was approved to have an informal meeting in March of each year.

The meeting was then adjourned.

Respectfully submitted,

Elizabeth (Betsy) Ashleman, N7WRQ

Secretary

Kamiak Butte Amateur Repeater Association

Field day! A success!

Here's a picture from the KBARA Field Day, featuring one of our newest Hams, Andrew, KE7EMH. Also, Standard Battery of Spokane was kind enough to lend us two large batteries for the occasion, thanks to John, KE7CSF.

News from our Canadian neighbors:

7th Annual Christina Lake Amateur Radio Picnic & Campout

On August 13, 2005 we held our 7th Annual Christina Lake Amateur Radio Picnic with 68 attendees. Prior to the picnic 31 people joined us for the campout. During this time we had 4 people stop by on their way through.

Two weeks before this year's event, we were very successful in picking some huckleberries, which were put into the pancakes for the "Pancake Breakfast". This breakfast seems to be a highlight of the event. We know that Bozo N7DRA sure enjoyed it. He sure loves our "Pure Pork Sausages" as well as the "Huckleberry Pancakes". We believe that this is one of the reasons people come back each year. Everyone pitches in to help with setting up, pancake flipping and serving the sausages. We even have volunteers helping clean up. All this help is very much appreciated. This is what makes it a great success.

After the breakfast, everyone gets to know each other. You talk to so many people on the airwaves and this is a way of seeing them in person. Later in the afternoon people start bringing in their Potluck Dish and we all sit and eat once again. The variety of dishes is amazing. No one goes away hungry. The BBQ's were lit and used by those who brought their own meat.

We had prizes given away throughout the day. There were so many prize donations, that everyone who was there received at least one. If they didn't, it was because they didn't enter their name in the draw, even after several reminders throughout the day. We have already received prizes for next year's event, thanks to Fumi Crowther VE7VTE and have had several others say they will be bringing something as well.

After those who came for the day had left, several of the campers headed for the "Ice Creamery" (the local ice cream vender). This seems to be becoming an annual event.

During the campout, Guy VA7GV, hosted an antenna building session. They sure had a great time with that, with Mike VE7MMG going home with the antenna.

Several of the ladies who attend, are quilters, so they love to get together and show each other the projects they have been working on, while others just sit around, relax and enjoy each other's company.

A large part of the campers usually go to one of the local restaurants for a dinner and then a breakfast before departing on the Sunday. We usually overwhelm the proprietors, with so many showing up all at once but they handled it very well this year. They are new owners and have made some wonderful changes to the place. They even have a dance floor and a karaoke machine for anyone to use. This place is located right near the campgrounds so you don't have to drive anywhere. Please mark your calendars for the 8th Annual International Christina Lake Amateur Radio Picnic & Campout. We will be holding it on the weekend of August 12, 2006, with campers arriving 2-3 days early. We will be sending out a reminder some time in January 2006. Thank you all once again for supporting our event. It is great to see so many of our American friends come up to join us and enjoy themselves.

We look forward to seeing you all again next year.
