About Us

Our Mission

Our Vision

Our Values

Our Team

Who We Are

Founded by Dan Weber in 2007, AMAC grew from concern for America's seniors, the realization that good information, insight, reliable news, and an all-American source of guidance was missing.

AMAC is the voice of conservative Americans who believe in the founding Fathers vision for our Republic. Now more than ever we need our generation to make a stand for the preservation of our children and grandchildren, that is what AMAC stands for, and fights to do. I implore you, member of AMAC and make a difference for yourselves and the future of America.
