Swim Team Dues

1. There is a non-refundable registration fee of \$85 member and \$120 non- member per child due before your swimmer begins swim team.

Swim Team is May 28-July 28

Other Obligations & Commitments

1. Each member of Bittersweet Swim Team is required to participate in the fundraising activities in which the money raised. This group fundraiser will take place during the season. If any member chooses not to sell the merchandise, he or she will be required to pay \$50.

2. At least one adult per family is required to serve as a volunteer for 2 swim meets. Please sign up on the swim team Shutterfly site. We will train you on the different areas within a swim meet where you would be expected to assist. Without your assistance the meets will not run efficiently and could possibly be cancelled.

REGISTRATION

The team is limited to the first 100 swimmers who register. Open Registration for any remaining slots begins mid-May. Placement on the team is not guaranteed. Non-BSTA members may register, but registrations will be held in order to give BSTA members priority. The fee covers the costs of team participation, including coaching (practices and meets), meet entries, and awards. QUESTIONS? Contact the Coaches at bittersweetbarracudas@gmail.com or on the Team App.

PRACTICES

Every swimmer must have a waiver signed by his/her parent or guardian to swim. If at any time parents do not want their athlete(s) to participate due to weather conditions, they have the discretion to keep them out of practice or competition. Each swimmer should come to practice with swim gear (swimsuit, goggles, swim cap) and dry-land workout attire appropriate for the weather, including tennis shoes, towels, and sunscreen.

VOLUNTEERING

To provide the best experience possible each family is required to volunteer at swim meets hosted by our team. Sign-up will be through Shutterfly. Many hands are required for successful home meets -- timers, heaters, runners, starter/announcer, concessions, ribbon coordinators, computer entry, set up, and clean up. A volunteer deposit is required to participate on the team. After completing the required volunteer time, your deposit will be returned.

TEAM APPAREL

Team swimsuits will be available at the first meeting and then ordering begins after practices begin. Team hoodies and t-shirts will also be available to order.

MEETS

There are several meets scheduled. Notify the coaches as soon as possible if you will not be attending a meet. Refunds are not provided to the team if you are entered in the meet and do not swim. Swimmers with qualifying times can choose to compete at the CSSCSA State Meet at the end of July. To be eligible a swimmer must practice only with their summer club swim team and compete only in their summer club swim team's meets. A swimmer who is found violating this rule will be disqualified and all points, medals, and ribbons will be denied the swimmer. The team found violating this rule will be denied the swimmer's points. The balance of the team's points, ribbons, medals, and trophies will be denied the team until the team has paid a fine of one hundred dollars (\$100.00). Additional details and qualification times can be found at www.statemeet.com.
