Dear Subscribers and Friends:

We hope this letter finds you and your loved ones healthy and ready for the start of our 2024-25 season. We would like to thank everyone who made last season such a great success – our landowners, staff, subscribers, and volunteers.

We are honored to welcome Jeff Woodall as our new huntsman. Jeff brings a wealth of experience and enthusiasm for our hounds, having worked previously in professional staff roles for area hunts such as Keswick, Old Dominion and, most recently, Rappahannock.

The new hunt season is only days away! Jeff, the staff, and the hounds are in full preparation for opening of cubbing on September 1st! We plan to schedule a “get ready to hunt” trail ride to offer some introductory coop jumping and to “shake the rust off” of ourselves and our mounts, as well as mounted hound exercise. Please stay in touch for further details. These are perfect opportunities for green or horses new to hunting, as well as seasoned horses to continue to prepare for opening cubbing.

The foxes appear plentiful this year, and we anticipate great sport and opportunities to socialize as a club both in and out of the hunt field. We expect a regular first, second, and third field on Sundays and will gladly provide a third field if requested on Fridays.

This year’s subscription letter is attached. Owing to inflationary pressures, dues have modestly increased over last year. *Subscriptions and capping fees only cover roughly 1/3 of our annual budget expenses.* If mailing your check, please send it to Treasurer, **Rita Kaseman, at 17100 Twin Maple Lane, Leesburg, VA 20176.** We pride ourselves on our welcoming nature and expect we will continue as the best value for fox hunting in the area this year.

Jeff and the staff have been working hard on the kennels and stable, and we welcome all the volunteer help to continue our trail clearing efforts. Please reach out to Michael if you are available to assist with trail clearing efforts.

Please contact the Masters if you have any questions.

Cheers and Happy Hunting!
