

# Bintelli Scooters

**Parts Origin:** ZNEN China

**Made In:** China

**Warranty Snapshot:** 2 years frame and battery, 1 year comprehensive, Parts Only

Bintelli imports some of the highest quality Chinese scooters in the industry. All Bintelli scooters are made by ZNEN China, a reputable and long-standing manufacturer who has an in-house engineering team and design department. They are certainly NOT fly-by-night, bargain bikes.

Bintelli provides parts coverage on the frame and battery for 2 years, and all other non-wearables for 1 year. Bintelli's warranty does not include labor coverage. All Bintelli scooters feature NGK spark plugs, Gates brand belts, stainless steel hardware, halogen bulbs, an AGM battery, Duro tires, and plenty of other brand-name upgrades.

Bintelli offers a great budget-friendly product that is still capable of a wide range of applications, from leisure to commuting.
