Price Guide BOOKKEEPING

At The Digital Ledger Co., LLC, we don't believe in 'one-size-fits-all' solutions. Your business is unique, and our concierge-level partnerships are custom-tailored to your specific complexities, transaction volumes, and scale. While final monthly retainers are determined by your business's individual needs, the following reference ranges offer a starting point for our partnership.

Tier 1 The Essential Ledger

AP/AR
Bank Recs

Investment Range:

Starting at \$250/mo

Scope Note:

2 bank/cc accounts

Up to 50 transactions

Typical Profile:

Early-stage start-ups or solo entrepreneurs focused on foundational compliance. Best for businesses with low transaction volumes that need accurate monthly reconciliations and tax-ready financial clarity.

Tier 2 The Growth Ledger

Everything in Tier 1
PLUS Financial Reporting

Investment Range:

Starting at \$650/mo

Typical Profile:

Established small businesses with increasing complexity. Ideal for founders who require deeper financial insights, active accounts payable/receivable management, and regular performance reporting to guide scaling decisions.

Tier 3 The Concierge Ledger

Everything in Tier 2
PLUS Priority Support
& Audit/Tax Prep

Investment Range:

Starting at \$1,200/mo

Typical Profile:

Designed for scaling ventures needing a dedicated partner for meticulous end-to-end bookkeeping. This tier provides the high-level oversight and detailed reporting essential for guiding complex business decisions and long-term growth.

Specialized & Ad-Hoc Projects

Need a one-time QuickBooks 'Clean-up' or comprehensive audit prep? For specific projects, I offer fixed-fee pricing. For specialized consulting needs outside of a standard retainer, a la carte hourly rates may apply.
