LAC DU FLAMBEAU
NOVEMBER 2023 NEWSLETTER
VOLUME XXI ISSUE XI

Our Mission Statement:

As people of God and servants of our Lord Jesus Christ, we believe our Mission to be the building of a strong fellowship, ministering to the Spiritual and physical needs of the church, the community, and the world fulfilling our Lord's command to "Love our neighbors."

WELCOME TO THE THANKFUL WORLD OF NOVEMBER

THE ATTIC THEN AND NOW (photo taken from Lakeland Times by Dean Hall)

The Attic was built in 2001. It was conceived and designed to provide a means for raising funds to fulfill the principal mission of the Church. As the name of the Church implies, that mission is to serve the community of Lac du Flambeau. The Attic is a key part of this service. It raises funds by re-selling high-quality goods—clothing, housewares and furniture—that are donated to the Church. The Attic only accepts goods that are clean and in very good to excellent condition and offers them at reasonable prices. It is open twice a week from May to mid-September.

The Attic proceeds are not used to pay for the operational costs of the Church. Instead, all the monies raised are designated to the Mission Budget of the Church. That mission was to serve the Lac du Flambeau community and beyond. Historically, that has included providing educational scholarships to some of the most promising young tribal students who are pursuing education beyond high school and funding other worthy causes that benefit the Lac du Flambeau community. The Attic is run by members of the Church and community volunteers who donate their time and efforts.
