

THOUGHTS FOR THE WEEK---NOV.22-28TH

"The weak can never forgive. Forgiveness is the attribute of the strong"

Mahatma Gandhi

"Forgiveness is final form of love"

Reinhold Niebuhr

"To forgive is to set a prisoner free and discover that the prisoner was you."

Lewis B. Smedes 1921-2002, Reformed Theologian

Each of these quotations demonstrate the power of forgiveness, easily said, but difficult to achieve.
