

THOUGHTS FOR THE WEEK
OF
MARCH 28 – APRIL 3

“We are told to let our light shine, and if it does, we don’t need to tell anybody it does. Lighthouses don’t fire cannons to call attention to their shining, they just shine.”

Dwight L. Moody

“Palm Sunday tells us that ... it is the cross that is the true tree of life.”

Pope Benedict XVI

These two citations get to the heart of the matter of who we are and how we should act. Basically, without calling attention to ourselves and just to be what God created us to be.
