

# Deewangi Deewangi Lyrics Translation

## Hindi Lyrics

Dekho dekho hai shaam badi deewani

Dheere dheere ban jaye na koi kahani

Dekho dekho hai shaam badi deewani

Dheere dheere ban jaye na koi kahani

Dilbar hai

Dilkash hai

Dildar nazare hai

Aaj zameen par utre kitne sitare hai

---

Aql-o-hosh na mi danam

Hum hai dil hai aur janam

Bas deewangi deewangi deewangi hai

Na koi rehsang, na rehbar

Yeh ilzaam lage kis par

Bas deewangi deewangi deewangi hai

All hot girls put your hands up and say

Om shanti om

All cool boys come on make some noise  
and say

Om shanti om

## Translation

Look the evening is just crazy

Slowly it may turn into a story

Look the evening is just crazy

Slowly it may turn into a story

My beloved is here

My beauty is here

There are attractive sights all around

Today stars have come down on earth

---

No one has any wits left

It's just me, my heart and my beloved

It's just total craziness

There is no guide, nor a leader

Who can be blamed for this

It's just total craziness

All hot girls put your hands up and say

I'm at peace

All cool boys come on make some noise  
and say

I'm at peace
