

# Ghungroo Lyrics Translation

## Hindi Lyrics

Kyun lamhe kharaab kare  
Aa galti behisaab kare  
Do pal ki joh neend udi  
Aa poore saare khwaab kare  
Kya karne hai umron ke vaade  
Yeh joh rehte hai rehne de aadhe  
Do baar nahi ik baar sahi  
Ik raat ki karle tu yaari  
Subah tak maan ke meri baat  
Tu aise zor se naachi aaj  
Ke ghungroo toot gaye  
Ke ghungroo toot gaye  
Chhod ke saare sharam aur laaj  
Main aise zor se naachi aaj  
Ke ghungroo toot gaye  
Ke ghungroo toot gaye

## Translation

Why should we waste our time  
Come let's make a lot of mistakes  
Sleep may not be ours tonight  
So let's fulfill all our dreams  
We don't need lifelong promises  
Let them remain unfulfilled  
At least once if not twice  
Be my friend for a night  
Listening to me all night long  
Today you danced till your heart's content  
That the anklets have broken  
That the anklets have broken  
Forgetting all my shyness behind  
Today I danced till my heart's content  
That the anklets have broken  
That the anklets have broken
