Training Topics

Customer Service - Equips your team by focusing on important aspects of excelling in customer service (phone & 1st impressions)

CX Effect - Focuses on the customer experience/perception

Leadership Types - Lead teams beyond the finish line. Transformational VS Transactional

Effective Communication - Includes non-verbal and verbal skills. Both are extremely important in any organization

Your Best Matters - How to build culture, inspiring employees to be their best version

Dealing with Change - Demonstrates how change can be vital but also what to anticipate when making changes

Emerging Leaders - Challenging young adults and teenagers to be valuable and aspire to make a difference

Identifying Individual Behaviors

Building Strong Teams
Certified Behavior Analyst

DISC is an amazing tool that transforms individuals and teams with personal and professional strategies

DISC is not a personality test but instead is a tool to identify behavior tendencies and how behaviors impact relationships at work, home and in the community

This presentation will challenge individuals and teams in unique and powerful ways

**TRANSFORM YOUR LIFE
WITH DISC**

**YOUR TEAM WILL NEVER
BE THE SAME**
