The Guest List

Moira Tica

Romanian actress and former glamour girl. She is currently typecast as a victim in the latest horror film shot at Pinetree Studios. A long black wig with white streaks and a long black velvet and lace dress is her costume. She talks with an eastern European lilt.

Jekyll Hyde

Husband to Moira Tica, 40 years old and very camp. Even though he is married his sexuality is still questioned. He is dressed in black tie with a white scarf. He is an important sponsor of films at Pinetree - and if Moira is a star in the film, he will support it.

Will Wolf

Aged 55 years old and father of twins, Vera and Vanda. He styles himself on Noel Coward, he is very English and calls everyone 'old boy'. He sports a spiv moustache and always wears a smoking jacket - open to reveal his hairy chest and he has hairy hands. His cigarette and holder are never far away. He is very protective of his daughters and supports everything they do - whether they are right or wrong!

Vera Wolf

Director of *Revenge of The Vampires 5*. Vera is secretly dating an actor who has difficulty remembering his lines! She is a very talented director and is quite forward thinking for the day. She attends the party dressed as a witch - after all one has to make an effort for these things.

Drake Ulla

The heart throb of the set ! Or is he? He is a bit of a rough diamond with a London accent. His face and body are scarred as he does all his own stunts. For the party he is dressed as a vampire - his outfit from his latest film complete with a cape, huge red ring and vampire necklace.

Halle Ween

Beautiful Greek actress whose father is a very wealthy Greek shipping magnate. She has a very quick temper and although is liked by all, they secretly fear her. She plays a virgin who was captured by the vampire. Her image is very much the 'busty wench' and she arrives at the party in her white costume for the film.

Frank Einstein

Very camp actor who flirts outrageously with Drake Ulla. He is dressed as a monster and loves this role. He considers himself an excellent actor and can't understand why he doesn't get the best parts.

Fanny Tumm

Actress who is appearing in one of the low budget horror movies made at the studios. She is very naive and new on set. She agrees with everyone's views even if she really disagrees. Dressed in her costume as a phantom, she wears a long white robe, cloak and a matching long white wig.
