She arrives at the party wearing a beautiful kimono, her black hair is worn in a bun with ribbons, black fishnet tights and of course her favourite stilettos.

### Beverly Hill

Blonde bombshell who styles herself on her favourite 1950's actress - indeed she never leaves the house without her trademark ruby red lipstick and pearls. She arrives at the party wearing a white halter neck dress, white boa, white shoes, ruby red lips and a pearl necklace. Her platinum blonde hair is teased and sprayed into curls.

### Cherry Brandy

A stunning blonde actress who is just starting out. Cherry will stop at nothing to get 'the' big role that leads to stardom and sees a meeting with Oscar as a stepping stone to the top - in fact she only agreed to a date with Ryan when she knew it was to Oscar's party! She dresses to kill and wears a glitzy gold dress and white boa with matching gold high heels - lots of gold bangles and big earrings complete her golden girl look.

### Ginger Snap

Fiery, passionate, hot headed - a typical radiant red head! She is currently dating Oscar Nomination, the owner of Oscars Films Corporation and it is love! She is high maintenance in every way - emotionally & materially - but can Oscar keep up with her demands? She is a nominee for 'Best Actress' and if she has anything to do with it she will win - hands down - but at what cost? She arrives at the party wearing a black strapless dress, a black boa, long black gloves and the biggest garish diamond necklace ever seen. Her auburn, wild curls are worn loose.

Traditional Hawaiian flower garlands are worn at her neck and wrists.

He is never seen without a drink in his hand or a blonde on his arm.

### Max Power

Acid tongued agent (who represents Ginger) and he can make or break a girl's career with one scathing remark. He looks after number one (and yes that's Max!) and always makes sure that he gets the lions share of his actors' wage. He is still single but leaves a string of one night stands wherever he goes; his motto is who needs a wife when you are as successful as him! He arrives at the party wearing a black pin striped suit and matching overcoat. His mobile phone and big cigar are never far away.

### Ryan O'Plasty

Plastic surgeon to the stars and Oscar's best friend. Journalists will and do try anything to get a glimpse of his client list as he has enhanced the bodies of many a Hollywood celebrity - but he keeps it all under lock & key!
