

# A Vintage Murder

9 Guests (9 female)

Charles La Feet, owner of the finest champagne house in all of France has thrown open the doors of his chateau to celebrate the launch of his latest champagne. The ball room is full of both his closest friends and those not so close - connoisseurs, marketing gurus and unfortunately the press – who rank only second to the devil in Charles' eyes. Where is the grand monsieur himself? A stickler for punctuality, he is never late but tonight he is unfashionably so. The butler comes running in – oh no Monsieur is dead! His body has been found in his study, clutching a bottle of his favourite vintage. How did he die? Surely is can't be murder! It's up to you to find out . . .
