

## Cocktail of Murder 5 Guests (5 female)

A gentle breeze is blowing and the steel band plays on the beach. Welcome to Hawaii and the Los Palmas beach Resort – renowned for fun and frolics in the sun. Tonight is no exception and as the girls prepare for another night of frivolity (and of course rum) Mai Tai, the bar tender comes rushing onto the beach. Juan Night-Stand, the sexy Latino stud and manager of the hotel, has been found dead in the sand dunes.

Who would want to kill him and more importantly why? Was it an over amorous lover, was it a jealous husband or is it something more sinister – it's up to you to find out.
