## RotoBoat Purchase Instructions

Thank you for participating in this year's Cape Coral Rotary Cardboard Boat Regatta. The event will be held at Seahawk Park on Saturday, March 21, 2026, with set-up Friday night and Saturday morning.

The QR code below will take you to our Regatta website. When you hover over the QR code with your phone camera, click on the GoDaddy button. This will take you to the Regatta website with complete information about the event.

To purchase a kit, complete the purchase form and mail it to John Calla (3631 SW 2<sup>nd</sup> Avenue, Cape Coral, FL 33914), or scan it and email it to John (jcalla@adventuresportaviation.com).

Payment will be collected (cash or check payable to Cape Coral Rotary Foundation) when we deliver the kit to you.

The cost of the kit is \$100. This includes special boaters' registration for the event, so you do not have to complete the online registration form in the QR code website. Instead, complete the registration form that is in the Regatta boaters' packet and return it with the kit purchase form. Indicate the type of entry, but disregard the entry fee amount, since it is included in the cost of the kit.

To see the Small Town Big Deal video "High Seas High Jinks" of the event three years ago: <https://www.youtube.com/watch?v=3mDIRxoeT0w> (lower case L and number 0).

For further information, please contact John Calla 239-989-8517.
