*Where Excellence, Faith, and Discipline meet to Build Leaders of Tomorrow!*

Dear Prospective Sponsor,

Thank you for your interest in supporting Youth Football. In late 2020 a few like-minded military veterans set forth to begin a program that emphasized the passion we all shared for the game of football across the Mississippi Gulf Coast and the desire for equitable and fair treatment of all teams, parents and participants.

Success in life and football takes faith, hard work, perseverance, teamwork, discipline and sacrifice. We are committed to teaching children not only how to play the sport of football, but also life skills to help them grow into respectful and responsible God fearing adults of the community. We are proud of our football programs but most importantly, we are proud of the many kids we help and pass through our organization annually. We realize that in order for us to be a resource to deserving families and offer high-quality programs, we sometimes need generous donations and support from the corporate community. Our motto is "God, Family, and Football!"

We would love to have you assist us with helping youngsters who are affiliated with our organization. Your contributions can make a significant difference to many young lives. Contributions are used for various efforts such as improving components of our various programs, supplementing the costs of organizations from economically-disadvantaged areas throughout the MS Gulf Coast, sponsoring youths who may not have be able to afford the opportunity to participate in sports activities, and many other benefits provided to our members. Any and all consideration would be greatly appreciated.

The Mississippi Coastal Tribalhawks Youth Football is a Mississippi non-profit corporation and is certified as tax-exempt as provided under chapter 501(c)(3) of the Internal Revenue Code by the IRS. All contributions to the organization are tax-deductible.

Once again thank you for your interest and/or support. If interested please fill out the attached sponsorship form and return to the team.

Thank You and Kind Regards,

Joel Fields, Director
