## Bighorns Hosting Great Falls Friday Night

The Wenatchee Bighorns (5-8) are hosting the Great Falls Electric (9-7) for Friday night basketball from the Chelan Community Gym. Tip-off is at 7:00 as the Bighorns are just out of playoff reach. The top three teams advance to playoffs while the Bighorns sit one loss behind Great Falls and Salem, who are tied for third.

These two lined up on April 13th when the Bighorns bested the Electric 98-82. In one of their best games of the season, Wenatchee won the rebounding game 55-49 over a team with the definitive height advantage. In that game, Tremont Robinson-White recorded his third double double of the season with 29 points and 14 rebounds.

Robinson-White is coming off a season-high 38 points in their 123-114 loss against the Super Hawks on Sunday. He currently sits fifth in the TBL in scoring, averaging 25.8 points per game and leads the TBL in steals (3.1).

Great Falls is led in scoring by Antwaan Cushingberry with a 23 points per game average. He also sits third in assists with 7.6 and second in steals with 2.9 behind Robinson White.

In a low scoring affair the last time these two teams tipped out, the boards and defense might be the keys once again.
