Whitepaper

LEGAL DISCLAIMER

The information provided on Bullshit Inu website does not constitute investment advice, financial advice, trading advice, or any other sort of advice and you should not treat any of the website's content as such. Bullshit Inu team does not recommend that any cryptocurrency should be bought, sold, or held by you. Do conduct your own due diligence and consult your financial advisor before making any investment decisions. By purchasing Bullshit Inu, you agree that you are not purchasing a security or investment and you agree to hold the team harmless and not liable for any losses or taxes you may incur. You also agree that the team is presenting the token "as is" and is not required to provide any support or services. You should have no expectation of any form from Bullshit Inu and its team. Although Bullshit Inu is a community driven token for social networking and not a registered digital currency, the team strongly recommends that citizens in areas with government bans on Crypto do not purchase it because the team cannot ensure compliance with your territory's regulations. Always make sure that you are in compliance with your local laws and regulations before you make any purchase.

Project Info

Big partnership's
Be the best meme coin ever

Bullshit Inu Swap

The screenshot displays the Bullshit Swap website interface. At the top left, there is a hamburger menu icon and the Bullshit Swap logo. At the top right, a yellow button labeled "Connect Wallet" is visible. The left sidebar contains navigation options: "WebSite", "Swap", "Audit Report", "Listings", and "More". The main content area features a "Swap" button and a "Bridge" button. A central "Exchange" modal is open, showing a trade interface with two input fields, each displaying "0.0" and a dropdown menu for selecting tokens (BNB and BULL). Below the input fields is a yellow "Unlock Wallet" button. The bottom left corner shows social media icons for Telegram and Twitter, along with a language selector set to "EN".
