

Hello ladies,

Joy Community Bible Study meets on Wednesday mornings in the fall and the spring at Immanuel Baptist Church, which is located at 3209 West Hillsboro Street in El Dorado, Arkansas. I want to personally invite you to join other women in our community as we study Highlights of the New Testament with me this fall semester. This is a unique study that will take us through every book of the New Testament in 17 weeks. It will be more of an overview in comparison to the other studies we have done. The cost of registration is \$30 (if you want a regular print workbook) and \$40 (if you want a large print.)

**Registration helps us order books, secure childcare, and make name tags.** I encourage everyone to join the Facebook page "Joy Community Bible Study" for updates and general information. We will post reminders for registration dates and times.

Small group discussion is an important part of our class. We have 6 discussion groups with 15 spots per group. When those spots are filled, we will start a waiting list. Please prayerfully consider your commitment to a small group. It is our desire that every class member participate in small group discussion, but we know that is not possible for everyone. ***If you do sign up for a group, please be committed to regular attendance.***

Free childcare is available for preschoolers. You will be expected to abide by the childcare policies and safety procedures of Immanuel's children's ministry. Please invite your friends and remind those who need childcare to register their children as soon as possible. ***Only pre-registered children may attend the first week.***

In addition to our in-person class, we offer an online option for those who want to complete the workbook and watch the lectures on Facebook. You will need to register for the class, pay for a book, and join the Facebook page "JCBS NT" in order to participate.
