## Church Family Worship together

**Sunday, February 16**

**9:00 am - Bible Study for all Ages**

**10:00 am - Combined Worship Service**

In addition to joining together for worship, we will be celebrating God's work in our students and supporting them as they seek to follow God. Our students will have a more visible role in the service, DNOW speaker, Jeff Atherton, Pastor of Pipeline Church in Visalia, California, will be preaching and the band from the weekend will lead us in worship.

As we start this new year, we are excited about a transition involving our weekday preschool and our ministries to kids. Stefanie Litzler is leading not only the Kindergarten through 5<sup>th</sup> grade ministry but also birth through Pre-K. We are grateful for Stefanie's leadership of our Kids Ministry, and we look forward to creativity and joy in leading preschoolers as well. Meredith Munn has joined our Kids Ministry Staff and will serve with Stefanie in ministering to all kids. Meredith has been a long-time member and has served in many ministries at Shearer Hills, and she brings dedication, wisdom, and positivity to the team. This staff transition allows Maria Miller to expand her leadership of our ELC in a full-time capacity. This ministry to kids and parents has flourished under her leadership for the past three years, and we look forward to her ongoing ministry there. Please join me in welcoming Meredith to our team, and express your appreciation to Maria and Stefanie for their continued leadership as well.

I am grateful not only for these staff who minister to our kids and families in a variety of ways, but I am also grateful for our entire staff. We are blessed with men and women who work hard to serve God and to serve the church. Our custodial staff care for our building well and prepare it for ministry use throughout the week, and they serve with a smile on their face and joy in their hearts. Our support staff work tirelessly to facilitate ministry, often taking care of unseen tasks making the ministries of this church possible. And our ministry staff have a great desire to see people grow in a relationship with God, and they invest much time and energy in planning for ministries and ministering to people individually. I am thankful for our entire team!

If you are not already plugged in to one of our weekly ministries, please prayerfully consider how you might serve and grow. And, if you are involved in something that is meaningful to you, consider who you might invite to be a part of it with you. I am anticipating God growing us together this year.

In Christ, *Steve*

## Pine Cove: Camp in the City Host Homes June 27 - July 4

Pine Cove staffers value the time they get to be a part of your family! There is a lot to learn from any household who is willing to open their lives to Pine Cove staff for a week. Three or more college students, of the same gender, would stay in your home. Typically, staffers arrive Saturday evening and depart Saturday morning for a total of seven nights in your home. Since they travel each weekend, the staff's only opportunity to do laundry is during the week. If your washer and dryer were available to them, they would be so grateful. Pine Cove provides their own transportation for their staffers. If you are willing to serve some college students and give them a place to call home on **June 27 - July 4**, e-mail [Stefanie Slitzler@shearerhills.org](mailto:Stefanie.slitzler@shearerhills.org) for more information!
