A NOTE FROM OUR PASTOR....

It is encouraging to see all the ways that God is at work in the life of our church this summer. There are multiple mission teams serving God through meeting needs and demonstrating the love of God. Students and kids are growing in their faith in God through the concentrated environments provided by camps and Power Up week. Individuals and classes are serving locally in ongoing ministries. Our weekly Bible Study Classes continue to provide thoughtful discussions and insight on scripture and how we can implement it in every day life. Our worship services create opportunities to encounter God as we worship through music and hear from God through scripture.

The biggest variable in these opportunities is us. Our participation in ministries. Our heart and perspective as we participate. Our desire to not merely participate in ministry activities, but to encounter the living God and to be changed because of the encounter. All of these things are not designed to be ministry activities for the sake of activity, but the purpose is for our hearts and lives to be changed to be more like God and for our faith in God to continue to grow.

So, my encouragement for us as a church family is to engage in ministry this summer. Be active, faithful and consistent. And, prepare our hearts and expect to encounter God.

In Christ, *Steve*

School Supply Drive For kids in our city and around the world!

Please purchase and bring school supplies for foster children in San Antonio and Operation Christmas Child! Our church will host a school supply distribution on **August 3rd** for foster children in the custody of extended family members. When they are placed with family, no financial assistance is given and extended family often struggles to provide what is needed. SHBC, along with some other churches in San Antonio, can be a part of meeting this need! School supplies will also go to kids around the world through Operation Christmas Child. All school supplies, including backpacks, are appreciated. Please bring donations to drop-off bins located in both lobby areas. Volunteers needed to help with the distribution on **August 3rd**. Please email Cindy Graves for more information!
